

Casa Pinti

Luggage storage — departure

Borgo Pinti 54, Firenze

Avoid leaving any valuables in the snug room: it is not highly secure and can be accessed by others.

1 · The snug room

On the apartment's floor there is a snug room. Open the door using the code sent separately and place your luggage inside, then make sure you lock it.

2 · Ready to leave

When you are ready to pick your luggage and go, ring the bell downstairs, the door will open after a few seconds.

Pick your luggage from the snug-room using the provided code and, please, make sure to lock it.

Please be mindful of your luggage brushing against the recently painted walls.

If you have any issues, please message me and enjoy the rest of your trip!
